

LED Downlight

Electrical Characteristics

Voltage: AC100 - 240V

Power: 10W available

Power Factor: 0.90-0.92

Photometric Characteristics

Light Source: SMD 2835

Lumens: 800-900lm

View Angle: 90

Colour Temperature: 2700- 7000K

Color rendering: >80

Warranty:3 Years

Diver : Built-in driver

Product advantages

1. Competitive Price
2. 3 Years warranty
3. Order \geq 1000pcs, offer free color box
4. Can be used in the bathroom long time
5. 100% SAA&C-tick &CE &RoHS approved
6. Support most of Europe and Australia dimmers
7. Driver can work at 260V for a long time
8. Tm21 Lm80 Test report
